Email: admin@laoitdev.com

No.: 4364/LITD
Vientiane Capital, date 20/11/2023

Notice

To: Clients of Lao IT Development Co., Ltd.

Objective: Notice of supplies and warranty cost increase of 5%.

- According to the current economic situation.
- According to the movement of exchange rates.
- According to the increase of living costs.

Due to the current economic situation which includes inflation and currency depreciation, Lao IT Development Co., Ltd must increase the warranty services costs (application and websites), as well as supplies distributions to maintain the satisfied service standard to all clients.

The Chief Executive Officer of Lao IT Development Co., Ltd would like to notify about the increase of 5% in the website, system, application warranty costs as well as supplies costs which Lao IT Development Co., Ltd distributes, effective from 2024 onwards.

Therefore, this is to notify clients of Lao IT Development Co., Ltd to be informed, and process accordingly to the mentioned above.

Respectfully yours,

Lao IT Development Co., Ltd
